Reaching children worldwide™

2018

Dear Summer Missionary,

I am so pleased to know that you want information to serve the Lord the summer of 2018 as a CEF[®] missionary. It will be a joy to watch God use you in the lives of boys and girls. Last year fifteen (15) summer missionaries in Northern Virginia were able to reach over 130 children and saw four (4) children trust Christ as their Savior. There is no doubt about it. The harvest field is ripe and waiting for harvesters to come!

On May 19, 2018, there will be a mandatory all-day training to prepare you for the summer's work. We will meet at the CEF[®] office from 10 a.m. - till 2:30 p.m. The training that will be taking place on the 19th is open to anyone who wants to do their own 5-Day Clubs[®] or to strengthen their ability to share the gospel. On that day, you will receive your own 5-Day Club kit and be introduced to the 5-Day Club[®] ministry. This pre-training will make it much easier for you when you come to the week-long Christian Youth In Action[®] training. At the week-long training, you will need to bring your lunch each day, or you could purchase lunch inside the building. **Be sure you call me at 703-641-9201 or email to wrcefnova@gmail.com and let me know if you will be there.**

Christian Youth In Action[®] (CYIA[™]) training will be June 25 – June 29, 2018. The training will be held at the CEF office from 9:00 a.m. till 3:30 p.m. daily. On the last day, there will be a graduation ceremony, and families are invited. It is an enjoyable time for your family to get an idea of what you did and meet your new friends.

Enough about schedules, on to something that is probably more important to you, and that is “fund raising.” We have seen that the most effective way to raise money is to send out a support letter. **Make a list of your relatives, friends, and friends of your family, people in the church, etc.** If you sit down with your parents, you could probably come up with at least 50 people who have shown some interest in you (don't forget Sunday school teachers and Bible study leaders). By the way, if you have some dear friends or relatives who are not saved, it is still okay to send them a letter. Many times, these people are very generous in their support.

As far as the letter is concerned, make it clear, simple and one page. In the first paragraph, please explain what you will be doing this summer. In the next paragraph, you tell them why you decided to do this ministry and what you hope to accomplish. It is in the last paragraph where you mention the finances. Politely, but clearly, share how much money you need and ask if they would consider sending a monetary gift to put towards these costs. **All gifts are tax deductible and need to be made out to CEF[®] of NOVA.** On the envelope flap or on a piece of paper with the gift, they should write your name. These donations should be sent to CEF[®] of NOVA (8001 Forbes Place, Suite 101, Springfield, VA 22151).

Be sure you provide the CEF office number (703-641-9201), just in case there are any questions. If it would be easier for you, we can provide return envelopes as well.

Please remember that people are interested in you. If they feel that you are using your summer to make a difference for the Lord, especially in the local area, the chances are good they will send in a donation. We have a sample letter that you can use.

You should approach church's mission committee and ask them for financial help as well. Perhaps your pastor will let you share your testimony in a service. Then an offering may be collected to help you towards this goal.

The total cost of the schooling and materials will come to \$160.00. This money will have to be raised and turned in before coming to the week of training. The breakdown goes like this: materials (\$100.00), 10% administration cost (\$10.00), transportation during 5-Day clubs (\$50.00). **If you will be working with your church, then the cost will be as follows: materials (\$100.00), and 10% administration cost (\$10.00) for a total of \$110.00.**

Please don't let the money issues disturb you. Believe me. God loves to provide for His children. He loves it when you depend on Him to provide the impossible. This is your opportunity to take a step of faith and watch God do miracles. We are praying for you.

What wonderful adventures you will have with Him!

I am looking forward to meeting you on May 19, 2018.

In Him, for the children of Northern Virginia,

SUMMER - 2018

Dear Summer Missionary,

We are very excited that you have chosen to use your summer serving Christ in Christian Youth in Action®. As you receive this packet, you are probably trying to complete all your schoolwork, get GREAT grades, and looking forward to the last day of school - coming somewhere down the road - but not soon enough for you.

We have been praying throughout the Fall and Winter that God would provide us with the summer missionaries that HE wanted to use - and you are now one of them as you have chosen to share Christ with the children.

Our theme for this summer is *Turned Around*. Did you know that many children have never visited a church or heard about how Jesus died for their sins? Children around Northern Virginia need to be told - and that's where YOU come into the picture!

Your serving with CEF is part of God's plan! You are choosing to be trained for life! We look forward to working with you and getting to know you better - and YOU getting to know us better.

*"O Lord, our Lord, how majestic is your name in all the earth!
You have set your glory above the heavens."
Psalm 8:1*

That is what we are going to do this summer - share with the children WHO Christ is and HOW they can KNOW Him.

We are praying for each one of you as you complete your school year and as you prepare your hearts for the summer ministry to which God has called you.

Looking forward to serving Him together,

Wayne Rautio

Dear _____ ,

I can't believe what God is calling me to do during the summer of 2018! The Lord has called me to begin working on an exciting project, and I am looking forward to see Him do great and mighty things.

This project that God has called me to serve in is called Christian Youth in Action®. I will be a summer missionary working with children in local Bible clubs called "5-Day Clubs®." Currently, I am developing financial support for my part in this ministry here in Northern Virginia.

As you know, CEF® summer missionaries are supported by the gifts of interested friends and churches. I am particularly seeking to have folks on my team who know and care for me over the past years. These individuals would share my deep burden to reach children for Christ. I sense that you may have the same burden.

I would like to invite you to join the " _____ Support team."

To achieve my support goal, I am seeking _____ new financial support individuals who would consider a \$20 - \$50 money pledge. The money will go towards my training expenses, ministry, travel and living.

By joining my support team, you will be giving more than finances. You will become partners with me in reaching boys and girls for Christ with the Gospel message and developing effective youth leaders.

God has brought the world to me. Many of the children I reach come from countries where it is almost impossible, or at least very difficult, to openly share God's truth with them. Few of the places where these children come from are Korea, Africa, China, Switzerland, Jordan, Egypt, El Salvador . . . and even America.

Thanks, _____ for being willing to read this letter. Will you please ask the Lord for His leading in this matter? Of course, give only as He leads you to.

For the kids who still need Jesus,

P.S., CEF® reached 20+ million children with the Gospel last year all over the world. Thanks for praying!
