### Review Game "Missionary Trek"

**Materials:**  
"Paul's Journey" map  
"Missionary Trek" reproducible  
(See GNC Resource Pack.)

**Instructions:**  
Divide the children into teams and assign each team a ship. Ask questions alternating between teams. When a child answers a question correctly, he gets to move his team's ship next to Jerusalem on the Bible Map. With each correct answer, the ship moves to the next city in Paul's first missionary journey—Antioch, Seleucia, Cyprus, Galatia then back to Antioch. Whichever team finishes the journey first wins!

**Variation:**  
When a team's ship is moved have everyone on that team pretend to row.
